

## Celebrating the Sixth Sunday after Trinity Weekly update Sunday 7<sup>th</sup> July 2024

### Verse of the Week

From 2 Corinthians 12. 2-10, the New Testament reading for Sunday:

***'But he said to me, 'My grace is sufficient for you, for my power is made perfect in weakness. Therefore, I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me ... For when I am weak, then I am strong.'***

Conveying Paul's acceptance of how his weakness encouraged him to depend upon God's strength.

Creator God, you made us all in your image: may we discern you in all that we see, and serve you in all that we do; through Jesus Christ our Lord. **Amen**

**GREEN TIP** – Plant milk curious? They can be surprisingly smooth and satisfying in your morning brew - and lots more, enough to turn you flexidairyman. If you’re ready and open to a new frothy fling, plant milks like oat, almond and soy work great in cooking and can be substituted in all kinds of recipes, sweet and savoury. As oat, almond and soy generate at least 68% fewer planet warming emissions than dairy milk you can feel good about more than just the taste, too.
